

Table-Top Torch Head

THE AWARD WINNING
TEMPEST TORCH™
BY TRAVIS INDUSTRIES

What's the Magic?

- Tabletop-sized Tempest Torch demo model that shows the spinning, spiral-like flame fueled by a small can of gel fuel
- Easily transportable for quick demonstrations at fairs, home shows or within the showroom –anywhere a flame demonstration is needed to show its unique flame.

Features:

- Gel fuel is non-toxic and clean-burning so there's no clean-up required, doesn't leave soot or ashes behind.
- Gel fuel can provides roughly 2 1/2 - 3 hours of burn time, can be purchased at most home improvement stores.

Specifications:

- Square base is 7 1/2" W x 5 1/4" H. Square tempered glass housing is 4 3/8" W x 14 1/2" H
